

## Principal's message

Your children are working hard, and we are proud of them! Yesterday, a team of senior leaders from the Raleigh Learning Trust carried out a 'mini-inspection' of the school, and we are really pleased with the feedback. They commented on the high standard of work in children's books; the high levels of concentration and independence in Nursery; the pupils' good manners and behaviour and their positive attitudes towards learning. I would also like to praise the staff – both teaching and non-teaching – who are all working together as a team to make our school the best it can be.

This week, Year 6, Walrus Class have had a series of visits to Nottingham University and the Air Museum at Newark, to find out about the world of higher education and support their aspirations, as well finding out more about their World War 2 topic. Staff have commented on their excellent attitudes and the way they have represented Ambleside by demonstrating our school values of ambition, curiosity and respect.

Next week it is the Nursery children's turn to step outside school, and find out more about their neighbourhood on their local walk.

Have a super weekend.

Ms Bromley

## Upcoming Diary Dates:

28th/29th September	Nursery Walks
29th September	Y5 Viking Day
30th September	Amazing Artists Day
October	Black history month
4th—7th October	Y6 Koala class Into University
6th October	Parents Evening
7th October	Y5 Mini Police
8th October	'Hello Yellow' - mental health awareness day
11th—15th October	R.E week

### Do Jo permission slips

Please sign and return your photographic consents, as we can post photos of class activities on the Class Dojo Stories, and help you find out more about our amazing curriculum.

**The Year 4 Roman Day was a roaring success, with the visiting Centurion bringing this history topic to life.**

Martyna from Zebra class told me about it:

*I dressed in a white dress with a draped cape on one shoulder. We had a lot of activities. I learnt that the men who had swords were a type of Roman police. I found out how to do a Thrust with the sword by pushing it forward. We used our shields and had a pretend battle between the Romans and the Britons. It was a fun day.*

## Scooters and bikes

Please do not allow your child to ride their scooter or bike on the school premises. We have had several 'near misses' and I want to avoid anyone being injured on our playground.
