Maths Overview - Year Three

Autumn	<p>Number: Place value</p> <p>I can count in multiples of 4, 8, 50 and 100.</p> <p>I can order numbers up to 1000.</p> <p>I can write numbers up to 1000 in words and numerals.</p> <p>I can find 10 or 100 more or less than a given number.</p> <p>I can solve missing number patterns problems.</p> <p>I can identify, represent and estimate numbers using different representations.</p> <p>I can partition a three digit number.</p>	<p>Number Addition & Subtraction</p> <p>I can add a one digit number to a three digit number mentally.</p> <p>I can add a tens number to a three digit number mentally.</p> <p>I can add a multiple of 100 to a three digit number mentally.</p> <p>I can use a written method of addition to add numbers including 3 digit numbers.</p> <p>I can use a written method of subtraction to subtract numbers including 3 digit numbers.</p> <p>I can use the inverse to a calculation to check my answer is correct.</p> <p>I can use my knowledge of number facts to solve problems including missing number problems</p>	<p>Number Multiplication & Division</p> <p>I know and use multiplication and division facts for the 3, 4 and 8 multiplication tables.</p> <p>I can write and calculate number sentences for multiplication using the multiplication tables that I know.</p> <p>I can write and calculate number sentences for division using the multiplication tables that I know (for example in word problems).</p> <p>I can multiply and divide by two-digit numbers and one-digit numbers, using mental and written methods to help me.</p> <p>I can solve problems, including word problems, missing number problems, involving multiplication and division.</p>	Assessment Week	Consolidation
--------	---	--	---	-----------------	---------------

Maths Overview - Year Three

	Week 1	Week 2	Week 3	Week 4	Week 5	Week 6	Week 7	Week 8	Week 9	Week 10	Week 11	Week 12	Week 13	Week 14
Spring	<p>Number: Multiplication & Division</p> <p>I know and use multiplication and division facts for the 3, 4 and 8 multiplication tables.</p> <p>I can write and calculate number sentences for multiplication using the multiplication tables that I know.</p> <p>I can write and calculate number sentences for division using the multiplication tables that I know (for example in word problems).</p> <p>I can multiply and divide by two-digit numbers and onedigit numbers, using mental and written methods to help me.</p> <p>I can solve problems, including word problems, missing number problems, involving multiplication and division.</p>			<p>Measurement: Money</p> <p>I can add and subtract amounts of money to give change, using both £ and p in practical contexts.</p>	<p>Number: Fractions</p> <p>I can count up and down in tenths and know that tenths come from dividing an object into 10 equal parts.</p> <p>I can find and write fractions of a set of objects: unit fractions and non-unit fractions with small denominators.</p> <p>I can recognise and show, using diagrams, equivalent fractions with small denominators.</p> <p>I can add and subtract fractions with the same denominator within one whole (for example, $\frac{5}{7} + \frac{1}{7} = \frac{6}{7}$).</p> <p>I can compare and order unit fractions and fractions with the same denominator. I can solve fraction based problems</p>					<p>Length, mass, volume, capacity & perimeter</p> <p>I can measure length, mass and volume/c capacity.</p> <p>I can add and subtract length, mass and volume or capacity.</p> <p>I know how to measure the perimeter of a 2D shape.</p>	<p style="writing-mode: vertical-rl; transform: rotate(180deg);">Assessment Week</p>	<p>Length, mass, volume, capacity & perimeter</p> <p>I can measure length, mass and volume/c apacity.</p> <p>I can add and subtract length, mass and volume/c apacity.</p> <p>I know how to measure the perimeter of a 2D shape.</p>

Summer	Statistics		Measurement: Time			Geometry: Properties of shapes			Measurement - Length, mass, volume, capacity & perimeter			Consolidation	Assessment Week	Consolidation
	I can interpret and present data using bar charts, pictograms and tables.		I can tell and write the time from an analogue clock, 12hour and 24-hour clocks.			<p>I can tell and write the time from an analogue clock, including using Roman numerals.</p> <p>I can estimate and read time with accuracy to the nearest minute.</p> <p>I can record and compare time in terms of seconds, minutes and hours.</p> <p>I can compare durations of events.</p> <p>I can use words such as o'clock, a.m./p.m., morning, afternoon, noon and midnight correctly.</p> <p>I know the number of seconds in a minute and the number of days in each month, year and leap year.</p>			<p>I can measure length, mass and volume/capacity.</p> <p>I can add and subtract length, mass and volume/capacity.</p> <p>I know how to measure the perimeter of a 2D shape.</p>
