

## The Queen's Platinum Jubilee 2022

Dear Parents/Carers,

On Friday 27<sup>th</sup> May 2022, we would like all Ambleside pupils to take part in a massive street party to celebrate the Queen's Platinum Jubilee. This is because the Queen has been on the throne for 70 years.

Weather permitting we would like to set tables and chairs on the yard and all the children within their class groups, eat their lunch outside. This will include the hot dinner children who will have their meal served to them whilst sat outside. Our Reception children will hold their own street party in their own outdoor area.

When all the children have finished eating they will be taken onto the school field where they will be able to play together within their year groups.

To make the day extra special we would like to make the day a non-school uniform day with a red, white and blue theme. This could be as simple as blue jeans, white t-shirt and red hoodie or a pretty blue and white dress with red tights, the choice is yours. For the non-school uniform we would ask for a £1 donation per family please. Monies raised will be used to buy more playground equipment.

To get everyone into the true spirit of our street party and this very special and rare occasion, we would like to decorate our outdoor area with lots of home-made bunting. Please see on the back of this letter a bunting template. It would be great if everyone pupil decorated at least one piece of bunting at home and returned it back to school by Monday 23<sup>rd</sup> May. Extra templates if required are available from your child's class teacher.

Fingers crossed the sun will be shining and all the children will have an amazing and memorable lunchtime and experience.

Kind regards,

Ambleside Student Council Members
