

English

Our children will enjoy creating a story opener about 'Flat Stanley' and how he became flat!

Maths

We will look at measurement, including length, weight and capacity.
We will continue to look at arithmetic and reasoning problems.

Welcome Back!

We hope that you had an amazing and restful half term and hope that your children are coming back ready to shine this busy term in the run up to Christmas.

Science

Our focus this half term will be on Uses of Everyday Materials. Within this the children will be discussing the properties of materials and their uses.

Geography

Our focus will be Fieldwork and Map skills. We will be looking at our local area and what different symbols are represented on a map. We look at the cardinal points of compass.

Computing

Our focus this half term will be on developing the children's understanding of how to stay safe online.

PE

The children in year 2 will be having fun and being active in athletics.

Class 7 have P.E on Tuesdays.
Class 8 and 9 have P.E on Fridays.

Music

The children will be revisiting pitch. We will be using our voices and instruments to explore what sounds we can make.

PSHE

This half term we are beginning to learn about relationships and what makes families unique and special.

Spellings

Your children will continue to receive their weekly spellings which will include words from the text that they have been learning in writing, their phonic words or common exception words. Please support them to practise these!

RE

We will be learning about Islam and how they achieve a sense belonging.

Dates to remember...
