

English

Our children this half term will be reading the story of 'Flat Stanley' and writing their own opening for an adventure story.

Science

Our focus this half term will be on plants. The children will be naming the parts of the flower and explaining the purpose of each section.

Welcome Back!

We hope that you had an amazing and restful half term and hope that your children are coming back ready to shine this busy term in the run up to starting Year 4 in September.

History

We will continue to focus on The Romans this half term, delving further into their way of life and famous battles fought. We will also be looking at The Celts and their way of life before The Romans arrived.

Maths

We will continue with a focus on arithmetic this term, taking weekly tests to assess our skills. We will also begin to focus on money this half term.

Computing

Our focus this half term will be on developing presentational skills using Power Point.

PE

The children in Year 3 will be developing their rhythm and movement through our weekly dance lessons.

Music

The children will be focussing on musical notation. They will build up their skills to perform a piece as a choir.

PSHE

This half term we are beginning to learn about relationships. They will look at how to develop strong and meaningful relationships at home, school as well as keeping themselves safe online.

Geography

The children will continue to focus on map skills, narrowing down to our local area and identifying the features needed for humans to settle in those areas.

RE

We will be learning about Hinduism looking at who they are and what they mean to different people. The children will look at what they believe and how this is shown in their daily lives.

Dates to remember...

Beginning week 29.04.24 - Weekly golden toy shop reading reward

21.05.24 - Diversity day

24.05.24 - Break up for half term
