

English

Our children will enjoy creating a legend based on our class story, 'The Legend of the Iron Man'. They will be learning how to excite and entertain a reader.

Welcome Back!

We hope that you had a great and restful break and that your children are coming back ready to shine this half term!

Maths

We will continue with a focus on learning & using our times table knowledge. We will also be partitioning, ordering, and rounding decimals. As well as looking at halves and quarters as decimals.

Science

Our focus this half term will be on Electricity. Within this, the children will be looking at sources of power, types of appliances that use electricity and how a simple electrical circuit is formed.

History

Our focus will be on Egypt. We will be focusing on the key questions. 'Who were the Egyptians?' and 'Where did the Egyptians live?'

PE

The children in Year 4 will be learning the skills involved in striking and fielding games. They will be working on their communication skills and working as a team, whilst playing a range of field games, such as rounders.

Music

The children will be exercising their vocal skills. They will be singing well known songs and learning how to control their voice. The children will also be learning about the history of certain types of music.

PSHE

This half term we are learning about how to build positive, healthy relationships. We will be exploring the feelings associated with jealousy, assertiveness, compromise, love and loss.

Geography

Your children will continue to learn more about rivers and The Water Cycle. We will be revisiting key concepts previously taught and consolidating our knowledge.

RE

We will be learning about Judaism. Whilst studying this religion, the children will be learning about rights and responsibilities. They will also be learning about Bar and Bat Mitzvahs.

Dates to remember...

06.05.24 – Bank Holiday – school closed.
13.05. 24 – KS2 SATs week.
21.05.24 – Home Learning Grids to be returned to class teachers.
