

English

Our children be practising using their phonics and tricky word knowledge to write a non-fiction and fiction books all about insects and adventures of the sea.

Understanding the World

This term we will be learning about mini beasts and insects. We will learn about the differences between the insects, life cycles, where they live and how to look after them carefully.

Welcome Back!

We hope that you had an amazing and restful Easter break and hope that your children are coming back ready to shine this busy summer term.

RE

We will be exploring and sharing different celebrations and traditions people take part in within different cultures and we are looking forward to taking part in diversity day.

Maths

We will continue with learning a variety of ways to explore number, shape, and pattern. We will also be investigating numbers beyond 10 and 20 and 3D shapes.

PSHE

We will be learning to understand our own and other people emotions and to be able to understand ourselves and help our friends.

Dates for your diary

06.05.24 Bank Holiday (School Closed)
21.05.24 Diversity Day
17.06.24 Drowning prevention week.
26.07.24 Last day of term

Music

Our children will explore making music with tuned and untuned instruments such as drums, triangles, shakers and xylophones.

We will also be singing familiar songs such as nursery rhymes and exploring adding instruments and rhythm.

PE

We will be practising turn taking using small equipment such as balls. We will also be practising our events for sports day.
