

Autumn Term Newsletter Year 3

English

Our children are looking at the structure of traditional tales, mainly the Gingerbread man. We will be learning the story and writing our own version.

Science

This term Year 3 will be learning all about rocks! We will be learning to compare and group different kinds of rocks together and describe how fossils are formed. We will also learn about the formation of soil.

Welcome Back!

The Year 3 team hope you all have had a fantastic summer holiday with plenty of rest! We have some very exciting subjects ahead for the children this term and we are very happy to welcome them into Key Stage 2.

Dates to Remember

16.09.24 – Y6 residentials
20.09.24 – Jeans for Genes Day

Maths

This half term Year 3 will begin the year with one of the most important aspects of mathematics: Number and place value. Our approach will equip the children with the best skills for this key subject.

Computing

In our iPad computing curriculum, we will be developing skills to create an iMovie. a introduction into the engaging world of proarammina!

Autumn Term Newsletter

Year 3

PE

In PE we will be developing some key physical skills in this handball unit. The children will learn and develop balance skills, teamwork, ball control, and ball skills.

Music

Our music unit this half term is about singing in rounds and canons. Children will continue to develop their understanding of rhythm and pulse. They will also further extend their knowledge of pitch.

PSHE

This half term in PSHE we will be developing our self-awareness in the Being Me in my World unit. Children will discuss their likes, dislikes, the things that make them unique and their families and friends.

Geography

This half term, our topic in geography is fieldwork and map skills. We will learn to read and use maps. We will also develop our knowledge of physical and human geography.

History

History is always an exciting subject and this term is no different! We will be learning all about the Stone Age. We will learn all about what life was like during the different periods of the Stone Age.

RE

This half term we will be beginning to learn about Hinduism. We will learn about the celebration of Diwali and discuss what it means to belong.
