

# Autumn Term Newsletter

## Year 5

### English

Our children are learning about traditional tales with a focus on Red Riding Hood. Within this, we will be recapping on verbs and nouns as well as focusing on beautiful handwriting.

### Welcome Back!

The Year 5 team hope that everyone has had a lovely summer break and are looking forward to welcoming you back. We are excited to cover a variety of subjects with the children this year.

### Maths

In the Autumn term, we will be covering place value, rounding, fractions, and multiplication and division.

### Science

In Science, the children will be focusing on chemistry. We will be looking at properties of materials, reversible and irreversible changes, solutions, and separating materials.

### Dates to Remember

w.b. 16.09 – Y6 residentials  
20.09 – Jeans for Genes Day  
24.09 – Y1 Phonics Stay and Learn begins (weekly)  
26.09 – Y1 Phonics Bingo begins (weekly)  
26.09 – Y4 Stay and Learn - Multiplication Bingo begins (weekly)

08.10 – Hello Yellow Day  
10.10 – Parents' Evening

### Computing

Our computing curriculum will concentrate on augmented reality. The children will progressively learn about the skills required for augmented reality before creating their own video.

## Autumn Term Newsletter Year 5

### PE

During the Autumn term, the children will be learning the skills to play dodgeball and then focusing on the skills for martial arts dance.

### Music

In music this term, year 5 will learning about untuned percussion and how to use these skills to structure and create a musical story which they will perform in groups.

### PSHE

PSHE takes a deep dive into the importance of reflecting upon taking responsibility for actions and setting goals for the future. It is a fantastic and important subject that brings opportunity for independence.

### Geography

Geography sees the children discovering how the earth is divided into longitude and latitude and dives into biomes across the planet.

### History

Our first history topic of the year looks at the Ancient Greeks. The children will delve into the beliefs the Ancient Greeks had through myths and legends and how democracy was born through the 'Great Thinkers' of the time.

### RE

RE this term focuses on the Hindu religion where children will learn about the practices Hindus follow. In the second half of the term, we will be learning more about Christianity with a focus around the story of Jesus.
