Curriculum Spotlight

Last week in nursery they have been having lots of fun and learning in different ways.

In PE they have been learning about movement and dancing to different types of music. They have been having lots of fun doing this and making big shapes with their body.

In writing they have been using Chatter Matter words to help them in different types of sentences.

In art they have been creating beautiful winter scenes using cut-out shapes and have been using coloured markers to create the scene.

Weekly Update

If you would like to find out about what your child has been learning this week in their year group and see the pictures of what the children have been up to then please go to our Ambleside Academy website, then click on the news tab and click on Academy News.

Ambleside Shout Out

Last week we had a visit from an Education Psychologist who recognised our amazing SEN provision in our Dolphin Pods. It was stated that the provision on offer beat many they have seen and described as meeting the needs of all children. The provision was that great the Educational Psychologist took this back to their managers. We just wanted to let you know that SEN support for children in Dolphin Provision has been recognised.
