

Spring Term Newsletter Year 3

English

The children will be looking at an adventure story, starting with the Mysterious Island, before looking at character descriptions.

Welcome Back!

The Year 3 team hope you all have had a lovely Christmas and wish you a Happy New Year! We have lots of exciting things happening in the Spring Term, and we are looking forward to working with all the children on some exciting new learning.

Maths

Children will continue to build on their understanding of place value, and the four functions. They will be focusing on multiplication and division using written methods and known facts.

Science

This term Year 3 will be learning all about forces! They will be learning what a force is, and how magnets work and interact with each other. We will be doing some practical experiments around this.

Dates to Remember

22.01.25 – Y3 Stone Age Day
w.b. 27.01.25 – National Storytelling Week
31.01.25 – Stay and Learn – breakfast with a book
w.b. 03.02.25 – Children's Mental Health Week
05.02.25 – Y3 Roman Day
11.02.25 – Sager Internet Day
14.02.25 – Last day of half term

Computing

In our computing, we will be working on Scratch and coding, as well as looking at internet safety. Children will be taught how to use iPads and the internet safely.

Spring Term Newsletter

Year 3

PE

In PE we will be developing our gymnastics skills. We will be learning about skills such as jumping and rolling. They will be creating a short routine using their skills.

Music

In music, children will be working on percussion and singing. They will be thinking about why we sing in unison, and how singing can bring people together, as well as having the opportunity to do this.

PSHE

Children will be working on the Dreams and Goals piece of our Jigsaw Journey. This will focus on knowing their aspirations, and managing their own frustrations.

Geography

In geography we will continue to complete a UK study, looking at landmarks in Britain. Children will be thinking about physical and human features, and how these are different.

History

History will continue to build on the children's understanding of the Stone Age. They will compare life from The Stone Age to The Iron Age, and then start to look at life in Roman Britain.

RE

Children will learning about Christianity this half term, Children will focus specifically on how Jesus healed people and if these were miracles.
