

English

Our children will enjoy creating a mythical story based on Perseus and Medusa which we are learning about in our history topic.

Science

Our focus this half term will be on forces. Within this, the children will be engaging in a jelly experiment which I am sure they will love and they have a virtual space tour in preparation for the unit after this.

Welcome Back!

We hope that you had an amazing and restful break over the Christmas period. We have lots of things to look forward to this term.

History

Our focus will be on the Ancient Maya and comparing it to European ancient civilisations. They will learn about the impact these civilisations had on the modern world.

Maths

We will continue with a focus on arithmetic this half term. We will then be moving on to our fractions, decimals and percentage unit.

Computing

Our focus this half term will be on developing the children's understanding of how to stay safe online.

PE

We will be learning skills in quicksticks (hocky). The children will focus on dribbling skills, block tackles, and free passes. They will build agility, strength and co-ordination.

Music

The children will be learning musical notation in preparation for learning how to play the keyboard. They will learn a piece called 'Canon' by Pachelbel.

PSHE

This half term we are beginning to think about our future goals and how we might achieve them. We have some exciting workshops to partake in involving the INTO and our visits with mini police.

Geography

Your children are learning about maps with a focus on how to find locations using grid references.

RE

We will be learning about the religion Sikhism. The children will partake in activities such as book reviews and thinking hard about morals and things that are important to them.

Dates to remember...

W/B 27.01.25 Mental Health Workshop
