

## Summer 2025 – Personal Development offer

	Topics	In these sessions pupils will ...	Key knowledge that builds on...	Assessment
EYFS	Self-Regulation	Children see themselves as valuable individuals – All children have a named key person who will work closely with them and build positive relationships with. Children’s interests are investigated and facilitated by adults. Identify and moderate their own feelings socially and emotionally – Children regularly take part in Jigsaw circle times. Children are encouraged to have a voice and discuss how they are feeling during all parts of the day. Speech and language interventions are put in place for children who may not be able to articulate their feelings.	The PSED strand is a constant in the EYFS curriculum and underpins all areas of work. <b>AAV:</b> empathy, curiosity, respect, ambition, resilience, confidence and kindness. <b>FBV:</b> democracy, rule of law, tolerance, individual liberty and mutual respect.	Through sustained shared thinking.
	Managing Self	Manage their own needs – children are encouraged to be independent throughout the day. Water and snacks are available for them to access and they are encouraged to use the bathroom freely. Show resilience and perseverance – children are encouraged to persevere and continue any tasks in which they may find a challenge with support from an adult. They are given time and the tools to do their best.		Conversations with children, questioning and pulling out the key learning from the individual children.  All children can have the opportunity to work with their key person. All children can develop relationships with adults in foundation unit.  Through sustained shared thinking.
	Building Relationships	Build constructive and respectful relationships – children are given vast opportunity to play with all children in the unit at independent learning time. Express their feelings and consider feelings of others – during the day adults may intervene to help children express their feelings finding the correct language to articulate their needs.		Group discussions with the children to gather evidence of what they know and remember.
