Welcome back and a big well done!

It has been lovely to see everyone in school this week. You should be very proud of your children as their attitude to learning coming back to school following the Christmas break has been amazing. This week we have introduced calm corridors and the children's conduct has been fantastic across school.

Well done to all of our Ambleside pupils—keep up the hard work!

Reminder—Ambleside Talents

We started at the start of the Autumn term celebrating some amazing talents. Please remember to let us know throughout the school year if there is anything your child has succeeded in and you are happy for it to go out on a newsletter. We feel that their success should be celebrated with our Ambleside community.

School staff car park closed and sport hall car park

On Monday 12th and Tuesday 13th our school staff car park will be closed which will stop all vehicle access. This is due to the lights being fixed in the car park area. Therefore staff will be parking in the sports hall car park which will mean this is unavailable to use on drop off. Please walk to school or park away from the school entrance. Thank you for your support in keeping our pupils safe.

Important—No food items containing nuts in school

We have students and staff in our school with severe food allergies to nuts. Due to the severity of these allergies, we are asking that you be mindful of this when sending food into classrooms for lunch. This includes things like Nutella spread and peanut butter in sandwiches. Please supply a nut-free lunch for your child.

This also applies when children are bringing healthy break time snacks—these must not contain nuts.

We appreciate your cooperation in keeping everyone at Ambleside safe.

Thank you for your understanding today regarding our school closure. Due to staffing levels this was unavoidable but understand the inconvenience this can cause for families. We hope you managed to have fun in the snow together as a family.
